Elite Diplomate is a very special group of practitioners dedicated to the principles of Morter HealthSystem, dedicated to technique excellence and dedicated to a level of training going far beyond the average practitioner.

These three days of intensive training will expand, enlighten and enhance your future with regards to the practice of Bio-Energetic Synchronization Technique by not only helping you fine tune your skills in Physical and Emotional Technique, but also teaching you the powerful technologies of the TMJ, Extremities and Family B.E.S.T. Procedures.

As you can tell, this program is about technique excellence, success, and really “knowing” B.E.S.T. For your Elite Diplomate status, you’ll demonstrate your level of expertise to our Master B.E.S.T. Practitioners both in written form and practical application of the technique. But don’t fret! The entire Elite Diplomate program is designed to ensure your success with this technique. Our goal is to help you become the very best you can be!

But, it’s even more than that! Elite Diplomate is a level of expertise and confidence. It’s a way of “knowing this procedure inside and out.” It’s an understanding of the principles of healing, going way beyond the beginner’s way of thinking. Elite Diplomate is designed to encourage the timid, stretch the competent, and ignite the advanced practitioner to levels never imagined!
